

CALL FOR ENTRIES

The Power of Color II is an exhibition that will explore color in the creation of artwork. Sometimes we use the same colors in all of our work, avoid others and use others to cue our viewers in to our meaning in creating a specific piece. Sometimes we make statements with color. We will consider all fine art 2D media: drawing, painting, photography and mixed media in all styles. All artists must live within the Washington DC metropolitan area. All work must be for sale, original, and created by the artist.

Deadline for receipt of Entry Form, Fees, and Work

Sunday, October 31, 2010, from 12:00 pm to 6:00 pm. All work must be appropriately framed and ready to hang.
